⚠ CAUTION

Guardian must read the following.

● Contains small parts.
Never allow children to play with the small parts, as they could be a choking hazard and cause suffocation.

⚠ WARNING

<If the battery is used incorrectly, there is a risk of overheating, rupture, and leakage. Please pay attention to the following points.> ● It is dangerous to swallow button batteries. Keep out of reach of children. If swallowed, consult your doctor immediately. ● The button battery must be changed by your guardian. ● Do not mix the old and new batteries with other types of batteries. ● Please insert into cathode and anode correctly. ● Do not short-circuit, charge, decompose, heat, solder, or put into water. There is a high risk of getting damaged. ● Please follow the method of disposal, based on your district.

Not for Children under 3 years. Do not put inside the mouth.

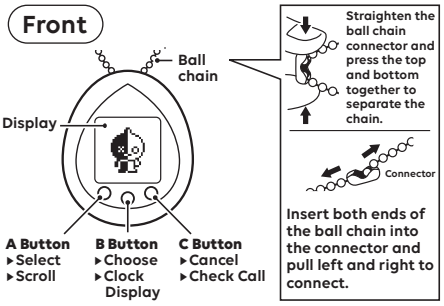
<Caution Before Use>

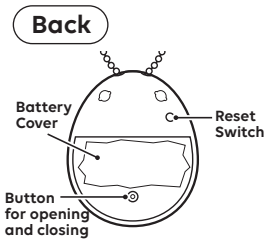
- Deleted data is difficult to recover. We ask for your understanding.
- Please throw away the packaging as soon as you open it.
- As there is paint on the product, do not place it on a resin sofa, sheet, tile, etc. for a long time. The color may change.
- Do not put force or bend the attachments of this product.
- The set button battery is for testing. If the screen doesn't display properly, please exchange the button battery with a new one.
- The product consists of small parts. Do not drop, wet, make dirty or disassemble. Avoid use and storage in places that are too hot or too cold.
- Please press the reset button, in case of malfunction.
- Clock Accuracy: Within 10 seconds per day

※ Please be careful to not put it in the laundry when it is inside your pocket!

Do not put into water or operate with wet hands.
There is a high risk of getting damaged. Also, avoid use and storage in humid areas.

1. Part Description



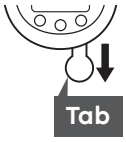


*All pictures shown are for illustration purpose only.

*Actual product may vary from the images shown.

2. Meeting VAN

1. Remove the tab at the bottom of the Tamagotchi.
▸The time setting screen will appear with a beeping sound.



2. Reset Operation
Press the reset button on the back of the casing with a thin, pointed object. ▸ It will start to beep.

*Do not put too much pressure on the switch with a sharp object, such as lead. There is a high risk of getting damaged.

*Make sure to press the reset button after changing the battery.

3. Setting the Time
Set the current time in the order of hour and minute by selecting button A to scroll and button B to choose/set the time. Press button C to go back to the previous step.

4. VAN Appearance
When the time is set up, 「VAN」 will come to you from space.

*If the screen is malfunctioning or looks off, please perform the reset operation.

*The product cannot preserve data. Replacing the battery or performing a reset operation may reset the data you have so far. Please be careful!

3. Clock Operation

How to look at the clock

If you press button B on the 「VAN」・「BT21」 display screen, the clock will appear.

How to change the clock

If you press button B, the clock will appear and if you press button A and C at the same time, the clock setting will display.
After, the [clock setting] (>2 [Meeting with VAN] reference) is the same.

4. Sound ON/OFF Setting

If you press button A and C simultaneously, the sound ON/OFF setting will display.

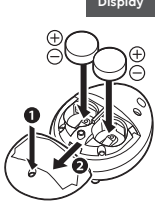
To turn sound ON or OFF, press button A to select and button B to set.

*When the sound is off, the beeping sound will be off as well.

5. How to Replace Button Battery

When battery is all depleted, the screen will not appear clearly and all actions will slowly not get executed. When the battery exchange display appears, please replace the batteries.

1 Press the opening/closing button on the back of the casing with a thin, sharp object (❶) and slide the battery cover downwards. (❷)



2 Remove the used batteries and carefully insert the new batteries (2 LR44 X 2/ not provided).
*When exchanging batteries, please change both of the batteries.

3 Close the battery cover and proceed with the [Reset Operation] (>2 [Meeting with VAN] reference).

6. Taking Care of 「VAN」・「BT21」

Calling

Whenever 「VAN」・「BT21」 call, you must respond to their status. If you can't check the call, press on button C to check the status.

Meal

If 「VAN」・「BT21」 are hungry, press button A, select FOOD on the screen with button A and press button B to decide the meal that suits your character.
[「VAN」▸ recharge]
[When they are in their BABY phase, give 「BT21」milk]
[When they are in their FRIEND phase, give 「BT21」a hamburger)

*You cannot feed them just before leaving the house when they are full, upset or when Moyamoya appears.

Snack

When 「VAN」・「BT21」 are not in a good mood, press button A, select FOOD ▸ with button A and press button B to set the right snack for your character.
[「VAN」▸ gasoline]
[When they are in their BABY phase, give 「BT21」a candy]
[When they are in their FRIEND phase, give 「BT21」a donut]

Lights

When 「VAN」・「BT21」 are sleeping, press button A, select LIGHTS OFF on the screen with button A and press button B to set and turn off the light.

(When 「VAN」・「BT21」 are asleep, no operation other than the clock display ON/OFF, modification, and sound ON/OFF is possible.

*It is not possible to turn on/off the lights when they are awake.

Moyamoya: Frustrated...

Occasionally, 「VAN」・「BT21」's Moyamoya will appear. As time passes, Moyamoya will take over the screen.
Press button A and send out hearts to get rid of Moyamoya before the entire screen is taken over.

*It's impossible to get rid of Moyamoya just before leaving the house when they are in bed after Moyamoya appears.

Mini Game

You can play four kinds of mini games. Press button A, select one of the four mini games on the GAME ▶ screen and press button B to choose a game.

*When Moyamoya appears, when they're sleeping or upset, you cannot play any mini games just before leaving the house.

Mini Game [Dance]

The screen will display a button that needs to be pressed once the dance starts. Press the button as quickly as you can. (If both A and B are displayed, press it twice.)
Press the button as indicated and you'll succeed! If you press the displayed button 5 times, perfect!
If you fail to press the button or press a different button, you will not be able to dance properly.

Mini Game [Make Cookies]

Please hit button A, as fast as you can, for 15 seconds. The more you hit, the more cookies you can bake. If the number of consecutive hits is insufficient, the cookies will burn.

Mini Game [Space Flight]

If a star rises on the left and right, press the opposite button to avoid it. (Button A when the star comes to the right, button B when the star comes to the left)
Press the opposite button of the star and you'll succeed! If you avoid the stars in all five tries, perfect!
If a button in the same direction as the star is pressed or if you fail to press the right button, the UFO will hit the star.

Mini Game [Take Pictures]

When 「BT21」 poses in the middle, press button A or B to "take a picture". If you take a good picture, you'll succeed! If you take the picture when the pose is not fully there or when it is out of the frame significantly, it is a fail.

Daily Observation

Sometimes, it is possible to observe 「VAN」・「BT21」's daily life.
When you can observe it, press any of the A~C buttons.

Upset

If you ignore their Moyamoya or neglect them, 「VAN」・「BT21」will get upset.
When they are upset, press on button A until they feel 100% better.
If you leave them to stay upset, they may run away from home, so please be careful!
(You cannot do anything other than displaying the clock, modifying and turning sound ON/OFF when they are upset.)

Running Away from Home

When 「VAN」・「BT21」 are left too long staying upset or get upset repeatedly, they may run away from home. A farewell letter will appear on the screen after they have run away.

▸To start taking care of a new character...

If you press button A while pressing button C, 「VAN」 will reappear and start again.

You can bring the perfect BABY for you, depending on how you spend your day with「VAN」!

▼
▼
▼ Out of BT21, who will you meet?

▼
▼
▼ If you take good care of them, you may get to stand on stage..?
